

# This child has a lazy eye...

Would you be able to tell?

Many times, it is impossible for anyone to know if a child has an eye that is lazy without a comprehensive eye examination. This year, when you go to renew your driver's license, make sure you take the time to check the **BLINDNESS AWARENESS FUND** box on your renewal form. Your donation may help make it possible for every child in Missouri to have a comprehensive eye examination before they begin school.

MISSOURI DEPARTMENT OF REVENUE  
DRIVER LICENSE BUREAU
