University of Missouri School of Medicine
Department of Ophthalmology
Clinical Instructor Professional Practice - Optometry

MU School of Medicine Department of Ophthalmology is seeking a full-time Clinical Instructor of Professional Practice in Optometry to join our department. The position is a faculty appointment not eligible for tenure. Optometrists at the Mason Eye Institute provide quality, comprehensive vision care services to a diverse patient population and collaborate with other disciplines to provide an integrated care approach. Salary is commensurate with experience.

Qualifications

- Degree of Doctor of Optometry (O.D.) resulting from course of education in optometry and receive from an accredited school or college of optometry
- Licensed to practice optometry in the State of Missouri with full and unrestricted licensure and maintain a current registration in their State of licensure
- Successful completion of a post-graduate ACOE-accredited optometry residency program (or equivalent)
- Must be eligible for a faculty appointment and have a desire to be involved in teaching
- Preferred experience includes: Passage of National Board of Examiners in Optometry (NBEO) examinations, passage of the Advanced Competence in Medical Optometry (ACMO) examination, and be eligible to apply or be a current Fellow in the American Academy of Optometry (AAO)

Application

To apply, please visit the MU website at http://hrs.missouri.edu/find-a-job/academic/ and submit a letter of interest, a curriculum vitae and contact information including email addresses for three references. Applications will be reviewed starting immediately and will continue until a suitable candidate is hired.

The Department of Ophthalmology is composed of 10 MD’s, 5 OD’s, 4 Research PhD’s, 9 Residents and 1 Cornea Fellow with excellent opportunities for collaboration related to patient care, education and research. Visit our website at http://medicine.missouri.edu/ophthalmology/ for additional information about the department.
